Pricing Notes:

Specifications and prices are subject to change without notice. FCA Verviers, Belgium. Duties include. Euro currency

Power Steering is standard on all models.

Digital Throttle and Shift (DTS) is available on Bravo models ONLY.

All MPI models are ready to use the Smartcraft System (except 3.0 MPI).

The factory-installed Jackshaft option contains all components excluding the jack shaft which can be ordered separately. Please refer to the accessory guide for pricing.

Axius is available from 5.0 MPI, with Bravo 3 only, and must be ordered with DTS, and a Kit Axius.

Riser height options for ECT engines are 0" (€ 160), 2" (no charge), 4" or 6" (see above).

Riser height options for 8.2 MAG models are 2" (no charge), 4" or 6" (see above).

Riser height options for non-ECT V6 and Small Block V8 Fuel Injected engines are 0" (no charge), 1.7" (no charge), 3", 4.7" or 6" (see above).

Riser height options for Carbureted engines are 0" (no charge) or 1.7" (no charge).

On all 4.3L MPI and 5.0L MPI packages ordered with Fresh Water Cooling, the air-actuated single point water drain is standard.

* 8.2 MAG engines are delivered without "bull horn" exhaust or through transom exhaust

** 8.2 MAG HO engines without ECT are only available with DTS
